Dear Parent/Carer

June 2022

French classes

Bonjour,

My name is Sarah Biasi and for many years I have been teaching award winning La Jolie Ronde French to the children of All Saints during the lunch time break. Having studied French and Italian at university and spent several years living abroad, I am a fluent French and Italian speaker, passionate about inspiring young children to learn languages. Given the opportunity and the right environment, every child can learn and be confident speaking a second language. I really enjoy passing on my knowledge and love of French as well as French culture.

La Jolie Ronde has been established for over 30 years and classes run separately from those offered in the curriculum to children at KS2. **The programme is designed to enhance learning skills and to challenge the children.** This means that they excel at French at secondary school and develop their language skills to the highest level possible.

Research shows that the younger the child is, the easier it is for them to learn a second language. Whilst children can join my classes at any age, many of my pupils have been with me from age 4 or 5 right through to 11 or even beyond. Following successive programmes during their years in primary school gives the children a wonderful start to their secondary school language journey. They gain an advantage and feel more confident having been used to speaking French regularly within a group. My focus is on speaking and the children learn by repetition as they did their mother tongue.

Learning through enjoyment is paramount. We do this with fun and engaging activities: stories, songs, games, rhymes and actions, role plays, and puppets!

**I am currently organising classes for the next academic year starting in September 2022.
Please note that places are strictly limited (maximum of 12 per class)**

Do get in touch if you would like to know more. Email: lanchesterlanguages@gmail.com.

A bientôt.

Sarah Biasi
Lanchester Languages
Teaching under licence from La Jolie Ronde

Using the excellent La Jolie Ronde methodology, children learn to speak with an authentic accent and correct pronunciation and benefit from the structured and progressive programme which enhances their learning holistically.
