## **Our School Policy Document for Charging**

### **Introduction**

All the education we provide during normal school hours is at no charge to pupils. We do not charge for any activity undertaken as part of the National Curriculum, with the exception of some individual or small-group music tuition.

### **Contributions to cost of visits**

When organising school trips or visits to enrich the curriculum and the educational experience of the children, the school advises of the costs incurred per child and invites parents and carers to contribute to the cost. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents or carers have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents and carers have a right to know how each trip is funded, and the school provides this information on request.

The following is a list of additional activities, organised by the school, which require voluntary contributions from parents and carers. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to or by a theatre company;
- school trips abroad;
- clubs delivered by outside providers
- musical events.

### **Residential Visits**

If the school organises a residential visit in school time, or mainly in school time, which is to provide education directly related to the National Curriculum, we will ask for voluntary contributions although parents and carers who receive state benefits may be exempt from this charge. If we cannot raise sufficient funding through these voluntary contributions, the visit may have to be cancelled, and that aspect of the curriculum would have to be covered in other ways.

### **Music Tuition**

All children study music as part of the normal school curriculum. We do not charge for this. There is a charge however for individual or small-group music tuition, since this is an additional curriculum activity, and not part of the National Curriculum. These individual or small-group lessons are taught by peripatetic music teachers. We make a charge for these lessons, but

children entitled to Free School Meals or Pupil Premium are exempt from payment. We give parents and carers information about additional music tuition at the start of each academic year.

### **Swimming**

The school organises swimming lessons for all children in Key Stage 2. These take place in school time and are part of the National Curriculum. We make no charge for this activity.

### **Wrap Around Provision**

The school offers a Breakfast Club and Tea-Time Club. There is a charge for these sessions, but again children entitled to Free School Meals or Pupil Premium may be exempt from payment.
