

Y2 Summer Term Newsletter

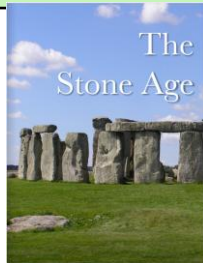

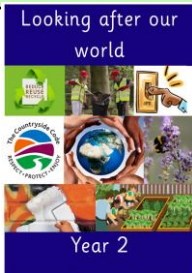

Religious Education
Spreading the Word.
We will find out how we can spread messages through our words and actions. We will explore the scripture of the Ascension and Pentecost.

English
We will be reading Flat Stanley and The Queen on Our Corner. This book explores how no matter where someone lives they are valuable to our community. The children will have the chance to create a news report based on this book.

Maths
Fractions and Time. We will learn to recognise $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{1}{3}$. We will also compare fractions and begin to use the words unit and non-unit fraction. In time, we will learn to tell the time to 5 minute intervals on an analogue clock. We will also explore measuring time.

Reading and Phonics-
Phonics is taught daily using Sounds-Write to improve segmenting, blending, fluency and spelling.
Sounds: or, h, k, r

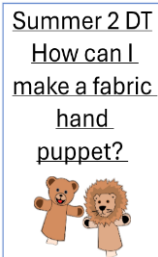

Geography
We will learn about looking after our world. We will research the issues within our school ground and in our local area and think about how we can make a difference to the world around us.

History
In History, we will be learning about Prehistoric Britain. We will learn about what prehistory is and the discoveries that early people made within Britain.

Computing
This half term we will begin to programme. We will use Scratch Jr. To give instructions and create our own animations.

Science
We will be exploring plants. Beginning by finding out what a seed and bulb is and then planting some. We will explore the different conditions a plant needs to grow well.

Key Information

- Your child will have their book changed once a week on **Wednesday**. Try to read at least **4 times a week**. Please have the children's books in their bag everyday so they can be shared in school too.
- Our P.E. days are **Tuesday** and **Thursday**.
- Spellings linked to our phonics will be available each week on **spelling shed**.
- Try to access **Numbots** or **TTRS** at least **4 times a week**.

D.T.
We will be exploring sewing. We will create a template and explore a running stitch and an over stitch. We will then design and create our own hand puppets.

P.E.
We will explore athletics. We will learn how this is made up of running, jumping and throwing. We will learn how to change direct, balance, be faster, move for longer and be stronger.

Music
We will be finding out how music can make us feel. We will use our voices to create our own pieces of music- this is improvisation.
PSHE
We will be learning about how we can keep ourselves safe.
