

Y4 Summer Term 1 Newsletter

<p>In English, our first whole class text will be “Varjak Paw” by S.F. Said The children will be developing their use direct speech punctuation and will palm and write a piece of the work in the story style.</p>	<p>In Maths we will continue our work on decimal numbers. This will involve calculating money amounts with 2 decimal places. Our Multiplication Test comes up straight after half term so please continue to support your child by using TTRS.</p>	<p>In R.E. we will look towards the upcoming feast of Pentecost. We will consider how the Gift of the Holy Spirit Jesus promised to send has allowed many men and women to Spread the Good News.</p>	
<p>Our studies in History will teach us how Islam began in Arabia. The children will learn about the prophet Mohammed and how early Muslims lived.</p>	<p>In Geography, we will learn about Earthquakes around the world and what causes them. We will study why humans continue to live in areas where there are earthquakes and link our learning to our earlier study of volcanoes.</p>	<p>In Science , we will learn about electricity and simple electrical circuits.</p>	<p>During music lessons, the children will learn about musical notation and record some simple compositions using notation.</p>
<p>The children will learn how to describe people.</p>	<p>The children will be participating in Athletics and Tag Rugby for this half term. P.E. lessons will be Monday and Tuesday</p>	<p>In Art the children will be looking at collage and mosaic how to relate this to Ancient cultures. In D.T. the children will design.</p>	<p>In Computing, the children learn how digital images can be changed and how to make changes themselves.</p>
