

<p>In English, we will be exploring a variety of texts over the half term. Our main focus will be exploring both fiction and non-fiction texts and writing in the third person in both past and present tenses.</p>	<p>Lent and Easter – We will complete this topic by looking at the Resurrection of Jesus and what it means for us today.</p> <p>Pentecost – We will be learning about the Holy Spirit and the importance of Pentecost Day for Christians.</p>	<p>Multiplication, division and fractions will be our focus this half term.</p>	<p>In Science we will be exploring animal diets and finding out which animals are carnivores, herbivores and omnivores.</p>
<p>Reading and Phonics— Your child's reading book will be changed every week. Please can reading books be returned every Monday so we can issue a new book. Phonics is taught daily using Sounds–Write to improve segmenting, blending, fluency and spelling.</p>	<p>In History we will be learning about six famous rulers from different parts of the world.</p>	<p>In Geography we will be learning about our wider world and discovering information about the continents and oceans...</p>	<p>What songs can we sing to help us through the day? We will be using music to explore this question through listening, responding, singing and playing some musical notes and instruments.</p>
<p>This half term we will be focusing on Athletics and Net and Ball games.</p>	<p>In Art we will learn about printing and collage and we will explore textures, lines and shapes.</p>	<p>In PSHE, across the half term, the children focus on their own wellbeing, resilience, sense of community and personal health.</p>	<p>In Computing, Year One will continue to focus on online safety. We will also learn about digital writing.</p>
